

# AIMS Practice Unit (APU)

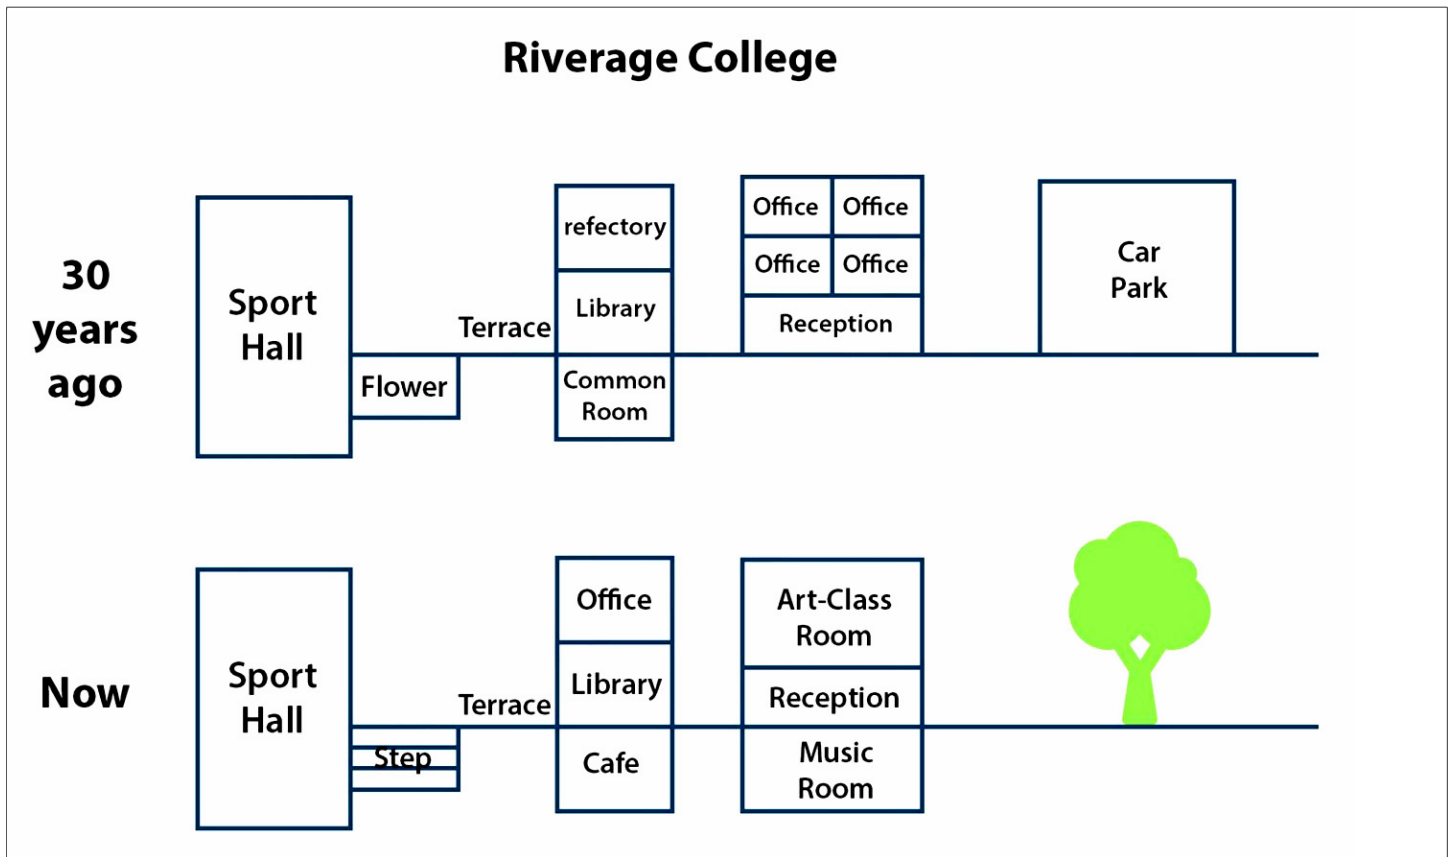

## Day-19

### Task 1:

The maps below show information about the change of Riverage college 30 years ago and now.

Summarise the information by selecting and reporting the main features, and make comparisons where relevant.

Write at least 150 words.

### Task 2:

Traffic and housing problems could be solved by moving large companies, factories and their employees to the countryside. Do you agree or disagree with the statement?
