

AIMS Practice Unit (APU)

Day-12

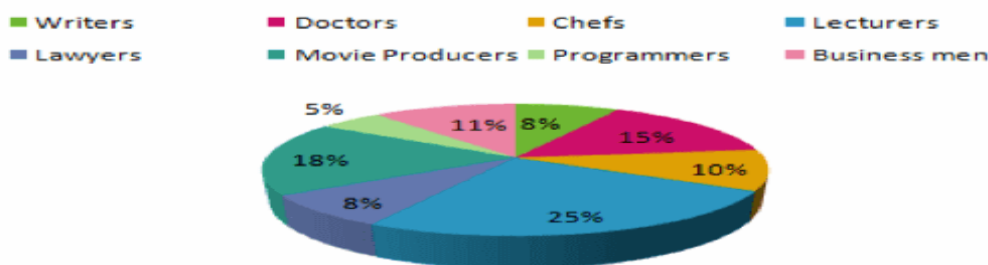

Task 1:

The graph below shows the average monthly change in the prices of three metals during 2014.

Summarise the information by selecting and reporting the main features, and make comparisons where relevant.

Occupations of people suffering from stress related illness

Task 2:

In many countries around the world, rural people are moving to cities, so the population in the countryside is decreasing.

Do you think this is a positive or a negative development?
