

AIMS Practice Unit (APU)

Day-8

Task 1:

The chart below gives information about the ratio of income to spending (in dollars) by Americans by age range in 2013.

Summarise the information by selecting and reporting the main features and make comparisons where relevant.

Task 2:

Nowadays many students have the opportunity to study for part or all of their course in foreign countries. While studying abroad brings many benefits to individual students, it also brings a number of disadvantages.

H.W: Cambridge 15 Test 1 Task 1, Test 4 Task 2.
