

AIMS Practice Unit (APU)

Day-10

Task 1:

The diagrams below show the life cycle of the silkworm and the stages in the production of silk cloth.

Summarise the information by selecting and reporting the main features, and make comparisons where relevant.

Task 2:

Some people think that competition at work, at school and in daily life is a good thing. Others believe that we should try to cooperate more, rather than competing against each other.

Discuss both these views and give your own opinion.
