

AIMS Practice Unit (APU)

Day-14

Task 1:

The charts below show the percentage of water used for different purposes in six areas of the world.

Summarise the information by selecting and reporting the main features, and make comparisons where relevant.

Task 2:

At the present time, the population of some countries includes a relatively large number of young adults, compared with the number of older people.

Do the advantage of this situation outweigh disadvantages?
